

PROPOSED IMPROVEMENTS

- Rehabilitate the existing bridges and maintain the railings
- Construct a new pedestrian bridge to the east
- Widen existing lanes to 11 feet
- Construct a 10-foot sidewalk on the east side of Austin Avenue and 6-foot sidewalk on the west side of Austin Avenue at the San Gabriel Village Boulevard and 2nd Street intersections

BACKGROUND AND ANTICIPATED TIMELINE

*Timeline	Activity
2020	Hold Public Meeting 5 and complete 30 percent design documents (PS&E)
2021	Complete design and environmental clearance
2022	Earliest construction could begin pending funding

*Timelines are anticipated and subject to change

BACKGROUND

The environmental and design process began in 2016 and has followed the National Environmental Policy Act and Section 106 of the National Historic Preservation Act. There have been four public meetings with significant public input and evaluation of five types of alternatives. Today, we are sharing proposed improvements that have been developed using technical analysis and public input.
