

SH 29 Improvements | Haven Lane to Patriot Way Fact Sheet

Project Overview

The City of Georgetown, in coordination with the Texas Department of Transportation (TxDOT), is proposing improvements to SH 29 to address increasing traffic volumes due to growth in this area of Georgetown. The proposed project would widen the two lanes to a four-lane divided roadway to improve traffic flow and enhance vehicular, pedestrian, and bicycle travel safety.

Project Length

2.8 miles

Project Timeline

Preliminary design is anticipated to be complete in early 2024. Final design and construction schedules are dependent upon funding availability.

Project Funding

The City is funding design for this project and is seeking additional funding for future phases from local, state, and federal sources.

Estimated Construction Cost

\$30 million

Proposed Improvements:

- Construct an additional lane in each direction
- Construct a raised median and dedicated left and right-turn lanes
- Construct a shared-use path for pedestrians and bicycles
- Construct a closed storm drain with curbs and gutters
