

Austin Avenue Pedestrian & Bicycle Bridges

The City of Georgetown is planning for the design and future construction of pedestrian and bicycle bridges crossing the north and south forks of the San Gabriel River and adjacent to the historic Austin Avenue bridges.

We Need Your Input!

Three design concepts have been developed through technical analysis and community and council input.

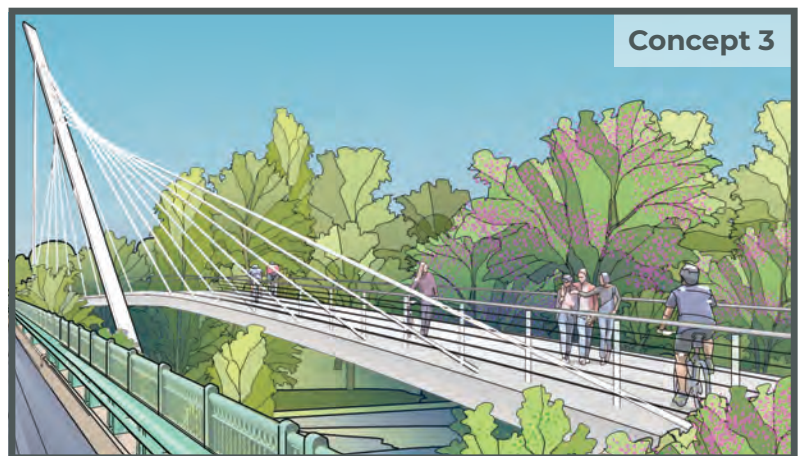

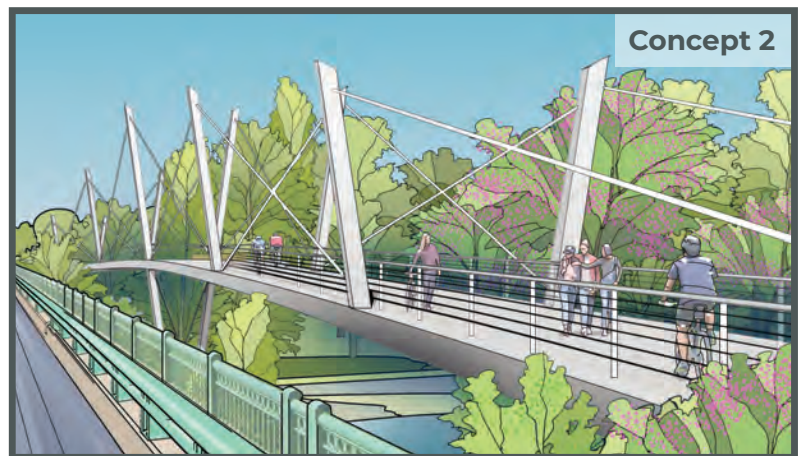

Visit bit.ly/AustinAveBridges to learn more about the concepts and share your thoughts on each concept.

Technical evaluations and public input will be considered by Council when choosing a preferred concept later this year.

Come See Us!

The project team will be at the **Autumn Art Stroll on October 19 from 4 to 6 p.m.** We'll be sharing information on the project and the design concepts and collecting feedback.
